CHARING CROSS TURKISH BATHS

(NEVILLE'S),

NORTHUMBERLAND AVENUE.

SEPARATE BATH FOR LADIES.

PRONOUNCED TO BE THE FINEST IN EUROPE.

These Baths stand on what was formerly part of the celebrated Northumberland House. They occupied nearly three years in building, and involved an expenditure of £30,000. They comprise a large suite of Bath Rooms, having a floor space of about twelve thousand feet, with a smaller suite in a separate but adjacent building for the exclusive use of Ladies ; the Cooling Rooms, which are fitted in a most luxurious manner, are surmounted by a lofty dome specially designed to permit free circulation of air, and to ensure perfect ventilation ; while the heating and ventilation of the hot chambers have been brought to a state of perfection by a system first introduced by the Proprietors of these Baths, and the whole of the decorations of both Hot and Cooling Rooms have been designed by the most eminent authorities.

(1.) CIVIL SERVICE CONSOLIDATION ORDER IN COUNCIL, 1910.*

Extract from Treasury Letter of 19th January, 1910.

This Order consolidates so much of the various Orders relative to the Civil Service of the Crown as is still in force, and also amends such Orders in certain particulars where experience has shown amendment to be desirable. These amendments are for the most part purely formal, but some are substantial, and I am directed to invite attention to the following, which are the most considerable.

The rules contained in the eight clauses of Part II. of the Consolidated Order are applicable to all permanent officers in the Civil Service.

It will be observed that the force of an Order in Council is thus given to certain regulations which have hitherto been binding only upon the officers to whom the two Orders of 1890, viz., that of 21st March and that of 15th August, applied.

The regulations in question are those relative to the keeping of attendance books, the hours of daily attendance, and the granting of alternate Saturday half-holidays.

Clause 16 (Part II) merely re-enacts the substance of the Order of 29th November, 1884, which since that date has been binding upon the Civil Service in relation to candidature for the House of Commons.

Clause 18 (Part II) contains a substantial alteration of the rules with regard to the suspension of, and restoration of suspended, increments of salary which are prescribed by Clause 5 of the Order of 21st March, 1890 (as amended by Clause 17 of the Order of 29th November, 1898), by Clause 20 of the Order of 29th November, 1898 (as amended by Clause 2 of the Order of 29th May, 1905), and by Clause 2 of the Order of 21st December, 1907.

Hitherto whenever Heads of Departments have used the powers given to them by the Orders quoted, they have been compelled to suspend the increments for the full incremental period (*i.e.*, in practice for one year). The effect has consequently varied with the accidental relation between the date of the misconduct which led to the suspension of the increment and the date on which the next increment would normally have accrued.

The object of the alteration now made is to allow Heads of Departments greater latitude in the matter of restoring increments so suspended, a change which will have the effect of enabling the punishment to be better proportioned to the gravity of the particular case.

And whereas it is expedient that so much of the aforesaid Orders as is now in force should be consolidated, with certain amendments, into one Order in Council.

1. Now, therefore, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, that, as from the date of this Order, so much of the aforesaid Orders as is now in force shall be repealed, and that the provisions following shall have effect in substitution for them :—

Provided that such repeal or substitution shall not affect the validity of anything done under or by virtue of such Orders or any of them.

Provided also that nothing in this Order shall affect any right, privilege, or exemption enjoyed by any person in His Majesty's Civil Establishments under Regulations in force at the date of the passing of this Order.

6. After the candidate has passed his examination and his certificate of qualification has been issued by the Commissioners, he shall enter on a period of probation of one year, or such extended period not exceeding two years in all as may be prescribed by the Head of his Department. During this time his conduct and capacity shall be subjected to such tests as may be determined by the Head of his Department, and he shall not be finally appointed to the Public Service unless and until his probation shall have furnished to the Head of his Department satisfactory proof of his fitness.

If such person is on a scale of salary, the first incremental period of such scale shall be reckoned from the date on which his salary became payable, provided that a certificate shall in the meanwhile have been issued by the Commissioners.

PART II.

Rules applicable to all Permanent Officers in His Majesty's Civil Establishments.

12. It shall be competent for the Treasury to direct, should they see cause, that inquiry be made at intervals of not less than five years into the pay and numbers of officers employed by any Department of State.

13. Attendance Books shall be kept in every Department for the purpose of recording the times of arrival and departure of persons employed therein.

14. Officers are required to attend not less than seven hours a day, but they shall be allowed a half-holiday on alternate Saturdays, provided that the Head of their Department is satisfied that the progress of the public business will not be prejudiced thereby.

15. It shall be competent for the Head of any Department to call upon any officer of such Department to retire at any time after reaching the age of sixty on such pension as by the length of his service he is qualified to receive.

Retirement shall be compulsory for every officer on attaining sixty-five years of age. But in special cases the Treasury may, at the instance of the Head of a Department, extend an officer's employment for a further period, not exceeding five years, on being satisfied that such officer's retirement at sixty-five would be detrimental to the interests of the Public Service.

16. Any officer seeking a seat in the House of Commons shall resign his office so soon as he issues his address to the electors, or in any other manner publicly announces himself as a candidate.

17. No officer shall be allowed to accept any part in the management of any society, or any trading, commercial, industrial, or financial firm or company which would require the attendance of such officer at any time between the hours of 10 a.m. and 6 p.m.

18. An annual increment of salary shall not be allowed to any officer at the date at which it would in ordinary course become due without a certificate from his immediate superior, countersigned by the Head of the Department, or such person as he may designate for the purpose, to the effect that the service of such officer during the year preceding the date of such certificate has been approved.

Provided that, if, at the date when the increment would in ordinary course become due, the certificate

cannot be given, the Head of the Department may specify a period from the expiration of which, if the officer's service in the meanwhile has been approved, the increment may be allowed, and may from time to time extend the period so fixed. If the officer's service after the grant of the deferred increment shall continue satisfactory, the Head of the Department may, if and when he thinks fit, increase the salary to an amount not exceeding that at which it would have stood if no increment had been withheld or deferred. Every such increase shall be reported to the Comptroller and Auditor-General.

19. Sick leave may be granted to any officer by the Head of his Department subject to the following conditions, viz.:—

- (1.) After two days' continuous absence, a certificate by a duly qualified medical practitioner shall be furnished stating the cause of such absence.
- (2.) If the number of days during which any officer is absent in any year without such medical certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of ordinary annual holidays which may be allowed under this Order.
- (3.) Continuous sick leave on full pay shall not be granted for any period longer than six months, but at the expiration of such six months the Head of the Department may at his discretion grant further leave on half-pay for any period not exceeding six months. After twelve months' continuous sick leave, no officer shall receive any salary, except with the consent of the Treasury, who may, in special circumstances, allow payment of salary to an officer during any further period of sick leave at a rate not exceeding the amount of pension (if any) for which at the expiration of twelve months' sick leave the officer would have been qualified.
- (4.) When the sick leave granted to any officer shall have amounted in the aggregate to twelve months during any period of four years or less, and it is desired to grant to him any further sick leave during such period, the case shall be reported to the Treasury, who shall decide what payment (if any) shall be made to him in respect of salary during such further sick leave.

PART III.

Rules applicable to Permanent Officers in His Majesty's Civil Service drawing Salaries or placed on Scales of Salary in excess of those of the Second Division.

20. Promotion of officers to whom Part III of this Order applies from one class to another shall be strictly according to merit, and shall take place subject to the following conditions:—

- (1.) That there is a vacancy in the higher class which, under the arrangements sanctioned for the time being by the Treasury, it is competent for the Head of the Department to fill;
- (2.) That the work of the Department requires such vacancy to be filled;
- (3.) That the officer proposed for promotion has been reported by the Head of his Department or Branch as fit to discharge the duties of the higher office.

21. The ordinary annual holidays allowed to officers to whom Part III of this Order applies shall not exceed thirty-six week-days during each of their first ten years of service, and forty-eight week-days thereafter, exclusive in all cases of Christmas Day, Good Friday, the King's Birthday, and (subject to the requirements of the Public Service) Bank Holidays: Provided that nothing in this clause shall affect the rights of existing officers who, under the regulations in force before the 15th day of August, 1890, in the respective Departments in which they were then serving, are entitled to holidays in excess of those herein prescribed.

(3.) ORDER IN COUNCIL OF 23RD OCTOBER, 1918.

(4.) ORDER IN COUNCIL OF 18TH DECEMBER, 1918.

Repealed as from 1st May, 1923, on issue of General Regulations under the Order in Council of 22nd July, 1920.

(5.) ORDER IN COUNCIL OF 15TH APRIL, 1919.

WHEREAS by an Order in Council dated the 10th January, 1910, and known generally as the Civil Service (Consolidating) Order in Council, 1910, as amended by two Orders in Council dated the 22nd March, 1918, and 18th December, 1918, provision has been made for testing according to fixed rules the qualifications of persons who may seek or be proposed for ap-

pointment, either permanently or temporarily, to situations or employment in any of His Majesty's Civil Establishments, and for regulating the conduct of His Majesty's said Civil Establishments and the conditions of service therein:

And whereas it is expedient that the promotion of suitable officers should be facilitated:

NOW, THEREFORE, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, as follows:—

(1) In Clause 36 of the Consolidating Order the words "exceptionally, after not less than eight years' service" shall be deleted and the clause shall run:—

36. A Clerk shall not be promoted from the Second Division to any post carrying a maximum salary exceeding £500 a year, or leading in the ordinary course of promotion to posts of which the maximum salary exceeds £500 a year, without a special certificate from the Commissioners, to be granted upon a special recommendation from the Head of the Department, and with the approval of the Treasury; and every such promotion shall be published in the *London Gazette*, with a note of such recommendation, certificate and approval, and shall have effect from the date of such publication.*

(2) In Clause 45 of the Consolidation Order the words "exceptionally, after not less than six

years' established service (towards which not less than one year's and not more than two years' approved service as Registered Boy Clerk may be allowed to reckon)" and the words, "not being higher than that which he was receiving at the date of his said appointment," shall be deleted and the clause shall run:—

45. An established Civil Servant of a rank below the Second Division may be appointed to that Division on the ground of special merit with a certificate from the Commissioners under Clause 7 of this Order.†

But such certificate shall only be granted upon a recommendation from the Head of the Department and with the approval of the Treasury. Whenever such an appointment is made, the Treasury may allow the person appointed to enter the scale of the Division at such salary as they shall think fit, and he shall be entitled to the same amount of annual holiday as if his previous established service had been in the Second Division.

WHEREAS by an Order in Council, dated the 10th day of January, 1910, His Majesty was pleased to consolidate the Orders then in force with respect to the Civil Service:

And whereas the said Order provided among other things for the ordinary annual holidays of Second Division Clerks:

And whereas it is expedient for the better co-ordination of the conditions of service of the Clerks of the Civil Service that the said provisions should be varied:

Now, THEREFORE, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

1. Clause 32 of the above recited Order is hereby revoked, and the following provisions shall have effect in lieu thereof:—

32. The ordinary annual holidays allowed to Second Division Clerks shall not exceed fourteen week days during each of their

first four years of service, twenty-one week days during each of their next six years of service, and twenty-eight week days during each year of service thereafter, exclusive in all cases of Christmas Day, Good Friday, the day appointed for the official celebration of His Majesty's Birthday, and (subject to the requirements of the Public Service) Bank holidays:

Provided that nothing in this clause shall affect the rights of existing Clerks who, under the regulations in force before the 21st day of March, 1890, in the respective Departments in which they were then serving, are entitled to holidays in excess of those herein prescribed.

Repealed as from 1st May, 1923, on issue of General Regulations under the Order in Council of 2nd July, 1920.

(8.) ORDER IN COUNCIL OF 22ND JULY, 1920.

WHEREAS by Order in Council dated the 10th January, 1910 (hereinafter referred to as "the Consolidated Order"), and other Orders in Council dated respectively the 22nd March, 1918, the 23rd October, 1918, the 18th December, 1918, the 15th April, 1919, the 18th August, 1919, the 9th December, 1919, and the 11th March, 1920, provision was made for testing the qualifications of persons proposed to be appointed, whether permanently or temporarily, to situations or employment in His Majesty's Civil Establishments, and for regulating the conduct of

the said Establishments and the conditions of service therein:

And whereas by Order in Council dated the 5th February, 1918, certain persons were appointed to be His Majesty's Commissioners for testing, in accordance with the Consolidated Order or such further Orders as His Majesty might issue in that behalf, the qualifications of persons proposed to be appointed as aforesaid, and for certain other purposes:

And whereas it is expedient to make further provision in relation to the matters aforesaid:

NOW, THEREFORE, His Majesty is pleased, by and with the advice of his Privy Council, to order, and it is hereby ordered, as follows:—

1.—(1) The persons appointed to be His Majesty's Commissioners as aforesaid by the said Order of the 5th February, 1918, or such other persons as His Majesty in Council may from time to time approve, shall be His Majesty's Civil Service Commissioners (hereinafter called "the Commissioners") for certifying the qualifications of the persons proposed to be appointed to any situation or employment in His Majesty's Civil Establishments.

(2) The Commissioners shall hold office during His Majesty's pleasure, and shall have power, subject to the approval of the Treasury, to employ from time to time such assistants as they may require for the discharge of the duties assigned to them.

2. The qualifications of all persons proposed to be appointed, whether permanently or temporarily, to any situation or employment in any of His Majesty's Civil Establishments shall, before they are appointed, be approved by the Commissioners, and no person shall be so appointed until a certificate of his qualifications has been issued by the Commissioners:

Provided that—

(a) the provisions of this Article shall not apply to any of the situations enumerated in the Schedule to this Order; and

(b) it shall not be necessary for any person who, at the date on which this Order comes into operation, holds a certificate of qualification from the Commissioners to obtain a new certificate of qualification on being appointed either by transfer or promotion to a situation which, in the opinion of the Commissioners, is similar to the situation in respect of which he already holds a certificate or may properly be filled in customary course of promotion from the class or grade of situation in respect of which the existing certificate was issued.

3. On the application of the Head of any Government Department the Commissioners may by Order, made with the approval of the Treasury, from time to time add any situation to the Schedule to this Order or withdraw any situation therefrom.

Provided that—

(a) the repeal aforesaid shall not affect the validity of anything done under or by virtue of the said Orders; and

(b) nothing in this Order shall affect any right, privilege, or exemption enjoyed by any person in His Majesty's Civil Establishments under or by virtue of the provisions of the said Orders, so far as those Orders are in force at the date on which this Order comes into operation.

And whereas it is expedient to authorise the making of regulations as aforesaid:

NOW, THEREFORE, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

Subject to the provisions of this Order, the powers of the said Commissioners under Article 4 of the principal Order shall include power to make special regulations providing for, and prescribing the mode of, the admission of women to the Civil Service, and regulations reserving to men any branch of or posts in the Civil Service in any of His Majesty's possessions overseas, or in any foreign country, and the power of the Treasury under Article 6 of the principal Order shall include power to make special regulations with respect to the conditions on which women admitted to the Civil Service of His Majesty may be appointed to or continue to hold posts therein.

GENERAL REGULATIONS RESPECTING APPOINTMENT TO HIS MAJESTY'S CIVIL ESTABLISHMENTS UNDER THE ORDER IN COUNCIL OF 22ND JULY, 1920.

(Operative as from 1st May, 1923.)

N.B.—*These Regulations are liable to alteration at any time.*

WHEREAS by Order in Council (hereinafter referred to as a "Principal Order") dated 22nd July, 1920, it is provided that (subject to the exception therein mentioned) the qualifications of all persons proposed to be appointed whether permanently or temporarily to any situation or employment in any of His Majesty's Civil Establishments, shall before they are appointed be approved by the Civil Service Commissioners, and no person shall be so appointed until a certificate of his qualification has been issued by the Commissioners;

And whereas it is provided by Clause 4 of the Principal Order that the Commissioners may, subject to the approval of the Treasury, make regulations prescribing the manner in which persons are to be admitted to His Majesty's Civil Establishments or to any situation or class of situations therein, and the conditions on which the Commissioners may issue certificates of qualification for the purposes of the Principal Order:

And whereas it is provided by Clause 8 of the Principal Order that Articles 2 and 10 of the Consolidated Order in Council dated 10th January, 1910, shall be repealed as from the date on which the Principal Order came into operation, and that the other provisions of the Orders recited in the Principal Order should be repealed as from the date on which regulations are made under the Principal Order repealing or re-enacting with or without modifications those provisions;

Now, therefore, the Civil Service Commissioners with the approval of the Treasury make the following regulations.

These regulations prescribe the conditions on which the Commissioners may issue certificates of qualification for admission to any situation or employment in His Majesty's Civil Establishments. These regulations are General Regulations applicable to both sexes and all situations. Words importing the masculine gender or the male sex in these Regulations denote either sex unless specific exception be made in the context.

AGE.

1. Every candidate shall satisfy the Commissioners that he is within the limits of age (if any) already prescribed or hereafter in due form prescribed for the situation or employment to which he desires to be admitted. From the actual age of the candidate such deduction shall be made on account of military service, civil service, or otherwise, as is laid down in regulations for the situation or class or group of situations to which he desires to be admitted.

2. If no limit of age is prescribed by Regulations for the situation or class or group of situations concerned, the candidate shall satisfy the Commissioners that his age is suitable to the duties of the post which he seeks; but no person not already holding an established post shall be appointed to an established situation at an age exceeding 50 without the consent of the Treasury.

3. On the application of the Head of a Department and with the approval of the Treasury, the Commissioners may, if they are satisfied that there is due and sufficient cause, extend the upper prescribed limit of age for any candidate, except in an open competition.

HEALTH.

4. Subject to the provisos appended to this clause every candidate shall satisfy the Commissioners that he is free from any physical defect or disease that would be likely to interfere with the proper discharge of his duties.

Provided that where an officer holding a pensionable situation in any of His Majesty's Civil Establishments is nominated by the Head of a Department for the issue of a certificate of qualification in respect of his promotion in the same Department, or of his transfer to another Department, the Commissioners may, at their discretion, if they see fit, grant their certificate of qualification on being satisfied that he is fully qualified in respect of age, character, knowledge and ability, without requiring evidence as to freedom from physical defect or disease, provided they are satisfied that the situation to which he is promoted or transferred does not require a higher degree of physical capacity than the situation which he already holds.

Provided also that in the case of persons whose health has been impaired by reason of service in His Majesty's Forces during the Great War, the Commissioners may on the conditions and in the manner prescribed by the Order in Council of 22nd March, 1918,* issue modified (War) Certificates and Special Recommendations which shall have effect as laid down in that Order and as if that Order had been part of the Regulations now made under the Order of 22nd July, 1920.

CHARACTER.

5. Every candidate shall satisfy the Commissioners that his character is such as to qualify him for the situation or employment which he seeks.

KNOWLEDGE AND ABILITY.

6. Every candidate shall satisfy the Commissioners that he is qualified in respect of knowledge and ability to discharge the duties of the situation which he seeks.

7. The tests shall be such as are prescribed by the regulations (if any) for the situation or group of situations to which the candidate desires to be admitted.

The normal method of entry will be by means of competitive examinations, according to regulations framed or to be from time to time framed by the Civil Service Commissioners, and approved by the Treasury, open to all persons of the requisite age, health, character and other qualifications prescribed in the said regulations who may be desirous of attending the same upon application made at the time and in the manner prescribed and subject to the payment of the fees from time to time prescribed. Such examinations shall be held at such periods, and for such situations or groups of situations, as the Commissioners with the approval of the Treasury, shall from time to time determine.

8. Where in exceptional cases no regulations have been made prescribing tests for the situation in question, the candidate shall satisfy the Commissioners in such manner as (having regard to the nature of the duties to be performed) they in their discretion may require of his fitness in respect of knowledge and ability for the duties of the post that he is seeking.

9. Where tests are prescribed for any situation, the regulations will lay down whether they shall be qualifying tests of candidates nominated by the Head of a Department, or competitive tests, and if competitive whether among candidates nominated by the Head of a Department or open to all persons who satisfy the conditions prescribed, and whether by examination or by examination and interview or by interview or otherwise.

10. The Commissioners may, if they think fit, dispense wholly or partly with any examination, competitive or qualifying, prescribed for any situation

or groups of situations if one or other of the following conditions be fulfilled :—

- (a) That the Head of the Department and the Treasury consider after inquiry in the Civil Service that for a particular situation qualifications wholly or in part professional, or otherwise peculiar and not ordinarily to be acquired in the Civil Service, are required. The relevant particulars of every such case shall be published in the *London Gazette* and included in the Annual Report of the Civil Service Commissioners.
 - (b) That the candidate or group of candidates concerned having been employed in a quasi-permanent capacity on work which has proved to be of a permanent character, and having given throughout a sufficient period of trial proof of fitness to perform the duties required, are put forward with the approval of the Treasury by the Head of the Department for establishment.
 - (c) That it has been proved to the satisfaction of the Treasury and the Commissioners that the transfer or promotion of an established Civil Servant from one post to another not in customary course of promotion is desirable in the interests of the public service.
- In every case falling within any of the classes (a), (b), (c), the Commissioners shall require such evidence as they think desirable to satisfy them of the fitness of the candidate in respect of knowledge and ability.
- (d) That the Head of the Department has satisfied the Treasury and the Civil Service Commissioners that the admission of a particular candidate to a specified situation is for special and exceptional reasons justified by the needs of the public service and the proved merit of the individual. The relevant particulars of every such case shall be published in the *London Gazette* and included in the Annual Report of the Civil Service Commissioners.

REINSTATEMENT AND REDUCTION.

11. In any case in which the Head of a Department with the approval of the Treasury nominates a candidate for reinstatement in the Civil Service or for appointment to a situation inferior to that which he already holds the Commissioners may dispense with any further test of knowledge and ability.

12. Every candidate shall satisfy the Commissioners that he or she is a natural-born British subject and the son or daughter of a father also a natural-born British subject. Provided that exception may be made—

- (a) In the case of candidates who are serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.
- (b) In the case of person who, being British subjects, and having served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918, are serving and have served for not less than six months in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or by limited competition for established and certificated appointment and are nominated for that established and certificated appointment.
- (c) In the case of persons serving in unestablished uncertificated employment which in normal course, by departmental custom or by the grant of establishment to an unestablished class, confers a claim to nomination singly or

by limited competition for established and certificated appointment, who are nominated for that established and certificated appointment, and who satisfy the rule in respect of nationality for established appointment which was in force when their unestablished service began, and

- (d) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August, 1914, and 11th November, 1918.

A candidate will not be eligible for assignment or appointment to the Foreign Office or services under the control of the Secretary of State for Foreign Affairs unless he is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those Territories, except when the circumstances are such as to justify a departure from the general rule, in which case provided the candidate satisfies the conditions prescribed by the preceding paragraphs of this regulation he may be admitted to appointment or competition by special permission of the Secretary of State for Foreign Affairs.

FEES.

13. Candidates shall pay fees in such manner at such times and in such amounts as the Commissioners with the approval of the Treasury have prescribed or shall from time to time prescribe in regulations or other notice published in the *London Gazette*.

The Commissioners may, with the like approval, exempt from the payment of fees such classes of persons as they may think fit to exempt. Every such exemption shall be published in the *London Gazette*.

The Commissioners, with the like approval, may, by notice in the *London Gazette*, cancel any preceding notice therein, or any part thereof, and may, by such or by any further notice, vary the amount of the fees to be paid by persons attending examinations held by them, or the manner, or the time, of paying such fees, or the classes of persons required to pay them, or exempted from paying them.

REPEAL.

14. Articles 3, 4, 5, 7, 9 and 11 of the Consolidated Order in Council of the 10th January, 1910, and the associated orders in Council of the 22nd March, 1918, 23rd October, 1918, 18th December, 1918, and 9th December, 1919, are hereby repealed.

Provided that all Regulations and rules for the admission of candidates to situations in the Civil Service made by the Commissioners under the Order in Council of 10th January, 1910, or under other Orders and still in force are hereby confirmed and shall remain in force until fresh or amended regulations or rules are made by the Commissioners under the Orders in Council of 22nd July, 1920, or one of them.

Note as to procedure for settling Regulations for particular situations, classes of situations, or groups of situations.

Subject in both cases to the provisos in Clause 2 of the Principal Order above mentioned,

- (a) Regulations as to conditions of entry into any situation, class of situations, or group of situations, peculiar to one Department, will be agreed between the Head of the Department and the Civil Service Commissioners and submitted to the Treasury for their approval.
- (b) Regulations as to conditions of entry to any class of situations or group of situations common to two or more Departments will be framed by the Civil Service Commissioners and submitted to the Treasury for their approval.

The Weekly Paper for the Services

Founded by SIR WILLIAM RUSSELL, of *The Times*.

Since January, 1860, the ARMY AND NAVY GAZETTE has been published weekly in the interest of the Services. In 1917 it incorporated "THE BROAD ARROW" and "THE NAVAL AND MILITARY GAZETTE," and in December, 1921, at the suggestion of the Royal Air Force, the title was altered to the "ARMY, NAVY AND AIR FORCE GAZETTE." It is written and controlled by Service men for Service men, and contains professional news with informed comment from the professional view.

Regular features include Articles; Notes; Reviews; Motor and Aeronautic Notes; Regimental, Naval, Air Force, and Territorial News; Navy, Army and Air Force Stations; Overseas and Foreign Armies; Service Sport; Old Comrades' Association News; and Naval, Military, Air Force, and Indian Army Appointments, Promotions, etc.
